

Web Committee Report (1/19/2019)

On December 5, Velinda B. & I met with Roger B. to learn a little more about PSA web site. We have practiced a little to start feeling more comfortable uploading and such. We are adding & rewording a few things on the site. I am away so nothing much planned until maybe March. If anyone has some suggestions for some changes, we can build a list and set priorities as we learn more.

Respectfully submitted,

Joseph Q
