

# Annual Web Page Committee Report

July 6, 2019

Continuing with the slow process of uploading an assortment of files to the Web Page. Also sifting thru older reports to clean up backlog on the site. No meetings have been held & nothing more to report at this time.

We are hoping to bring our Web Page look into the 21st century. Any current PSA member with up to date Web experience is encouraged to please volunteer & help us in this endeavor.
