

PSA Member Automated Email

Below is some information for the "PSA Member only" automated email group (distribution list):
PSA2020@googlegroups.com

1. PSA2020@googlegroups.com includes the email address of all current PSA members who have provided PSA with an email address. All members of the group can receive and send emails to the group, non-members cannot. To send emails to the PSA Members, compose an email and address it to psa2020@googlegroups.com. Recipients will not see the email addresses of the group members. They will see the email address of the person who sent the email.
2. Please **do not** send any inappropriate, frivolous or political emails or advertise your personal business via the group emails.
3. Please do not send replies to psa2020@googlegroups email address unless you are certain you want **all** PSA members to see your reply.
4. Replies will go to **all** members of the email group. If you wish to respond to the person who sent the email to the group, reply to their email address **only**.
5. If requested by a PSA member, recommendations for work performed is acceptable.
6. **If you abuse** the PSA members email group we will either disable your ability to send emails to the PSA Member email group or remove your email from the group.
7. **You may withdraw** from the group at any time by sending an email to psa2020@googlegroups.com requesting removal and we will remove you from the group.
8. If you have questions or need to have your email address updated, please send questions and email changes to: psa2020@googlegroups.com. Be sure to include your name, phone and lot number.
