

# Annual Web Page Committee Report

October 16, 2020

We created a “bulk” Email list of members of the PSA. This will make contacting members much easier & quicker for announcements. It can also be used for member requests, selling items, freebies, etc. Any member NOT on the list yet can contact myself or President Brown to be added. Please read the rules & adhere to them.

Continuing with the slow process of uploading an assortment of files to the Web Page. Also sifting thru older reports to clean up backlog on the site. No meetings have been held & nothing more to report at this time.
