

March 2022 PSA BOD Meeting Website Report

Google Email Group: I continue to update the Google Email Group as per instructions from President Velinda Brown.

PSA Website:

- I continued to consolidate pages on our website. My goal had been to show all menu items on the menu bar on the left of the screen. I have ALMOST achieved it, but there are still four menu items that one must scroll down to. At this time, there may be one more page I believe I can remove (Financials and Audits) as it is mostly duplicative and/or older data. I will work with Velinda on this proposed change.
- I would like to be able to make the font size smaller on the menu bar, but, both I and my advisor, Roger Biggs, have not been able to figure out how to customize the font sizes on the menu, yet.
- Do we have dates/times for the following TBD activities, yet?
