

## May 2022 PSA BoD Meeting Website Report

**Google Email Group:** I continue to update the Google Email Group as per instructions from President Velinda Brown.

### PSA Website:

- In consulting with Velinda recently, I have been working on the *Financials and Audits* page. I am *not* going to remove the page as I suggested last meeting. I have removed many pieces of older data and both Velinda and I agree that we will limit the financial reports posted on the page to the “Variance Reports” which we obtain from Jan and/or our bookkeepers.  
This report is probably the most important information for our membership to see over the course of the fiscal year. It shows the amount budgeted (and approved by the membership) and compares it to the actual expenses to date. It clearly shows the variance. Any other financial reporting or bank balances will not be placed on the website but can be privately viewed by a PSA member upon their request to the Board.
- The Google Calendar on the Announcements and Events page is up-to-date for all known upcoming Community events and hut rentals.
- Here is a quick look at “Activities” from the Announcements and Events page on the website.
