

Neighborhood Block Watch Report September 17, 2022

The Neighborhood Block Watch consists of two Co-managers and 11 captains. all - but one - of the captains has access to our “private” FB page where we retain records of photos and incident reporting.

Three incidents were reported to me since my last report. Two incidences were of theft of outdoor items, such as a wood carving and statuary. The most recent report (submitted earlier this week) was about an *attempted* theft of gasoline from a truck. I will be sending a quarterly report to the Sheriff’s office later this month.

I ask all members of our community to report incidents to me, Co-manager Theresa Ancich, or your neighborhood Captain. The Co-Managers and Captains are listed with their contact information on Paradise Estate’s website at: <http://paradise-service-associates.org>.

Please let me know if you require further information.

Respectfully submitted,

Susan M. Lord
Co-Manager for Neighborhood Block Watch at Paradise Estates
