

## **Neighborhood Block Watch Report**

### **March 18, 2023**

The Neighborhood Block Watch consists of two Co-managers and 11 captains. all - but one - of the captains has access to our “private” FB page where we retain records of photos and incident reporting.

One incident was reported to me since my last report. I spoke to Debbie Graves and she said her father Dean’s motorhome was ransacked on March 13. The small building and her brother’s RV were entered, but not trashed. His daughters have not found anything missing yet. Apparently, they saw mud-tracks made by a “quad” and found that the dogs who live on the property had been released from their kennel. The intrusion was reported to have occurred sometime between 5:00 – 9:00 pm. While they did not report the intrusion to the Sheriff’s department, I did.

I ask all members of our community to report incidents to me, Co-manager Theresa Ancich, or your neighborhood Captain. The Co-Managers and Captains are listed with their contact information on Paradise Estate’s website at: <http://paradise-service-associates.org>.

Please let me know if you require further information.

Respectfully submitted,

Susan M. Lord
