

Marina Committee Report

5/13/2023

1. Corp of Engineers approval: Tabitha Simonetti has requested an update from the Corp of Engineers on May 8 from Samantha Stanford. Samantha would reply by Thursday, May 12th. As per Scott Ruedy, Mason County Planner, the Corp response is not pertinent to the building permit. Tabitha is taking over for John Kavanaugh as he has taken a project management position with Marine Floats. Tabitha will be preparing the County Building Permit once the drawings are ready.
2. County permit: Contracted with CG Engineering to provide construction drawings (estimated completion is for Friday, May 12th).
3. 2023 Projects update:
 - a. Repair/replace dock boards as needed.
4. Marina Reserve Balance (4/30/23):
 - a. Reserve:\$66,738.05
 - b. CD #2001: \$536.30
