

## **PSA Neighborhood Block Watch Report May 18, 2024**

The Neighborhood Block Watch consists of two Co-managers and 11 captains. Most have access to our "private" FB page where we retain records of photos, recordings, and incident reporting. We believe those records may be helpful to the Sheriff's department in the future.

There have been no incidents reported to me since October of 2023. That is a good thing! I believe I should send a friendly reminder about Neighborhood Block Watch to our community members via our Gmail account. Also, because some new members may be unaware of its existence.

While we keep track of incidents and we appreciate you letting us know of the events, I encourage our members to call the Sheriff's non-emergency number 360.426.4441 and report to them, as well. Our Neighborhood Block Watch cumulative reports and your reports to the Sheriff Department help keep our community at the top of their minds, which may increase their presence in our community.

I ask all members of our neighborhood to report incidents to me, Co-manager Theresa Ancich, or your neighborhood Captain. The Co-Managers and Captains are listed with their contact information on Paradise Estate's website at: <http://paradise-service-associates.org>.

Please let me know if you require further information.

Respectfully submitted,

Susan M. Lord

Co-Manager for Neighborhood Block Watch at Paradise Estates
