PSA Board Meeting
Website Report

Google Email Group: I continue to update the Google Email Group as per instructions from President Velinda Brown.

PSA Website: I continue to update the webpage with upcoming events and posting Board member reports after each Board meeting.

- The Google Calendar on the Announcements and Events page is up-to-date for all known upcoming Community events and hut rentals.
- Here is a quick look at the “Activities” section from the Announcements and Events page on the website.
- I would like to discuss the “Neighborhood Give-away” particulars. There were a few people who participated last year via their home locations. Tina and I discussed how it could be much nicer to set up in the Park for this “alternative” to a community garage sale. Items we offer will be “free”. However, I would like to suggest we ask for donations to North Mason Food Bank to all who “shop” the Give-away.

In addition, I recently added a link on the Announcements and Events page to a one page sheet entitled “PSA Park and Marina Rules-2024” which should be handy to download for our members.

All the above activities will be updated after the May Board meeting providing there are changes.

Respectfully submitted,

Susan M. Lord
