

PSA Marina Committee Report

Date: 01/17/25

1. Updates on Dock A:

Bryce and I installed the section of railing along the new ramp and steps leading to Dock A. I have also received an estimate to install the transition plate from the ramp to the dock. Once the transition plate is installed, we can proceed with scheduling the inspection.

2. Loyalty Program:

The Loyalty Program will begin on **February 1, 2025**.

- I am creating a new slip registration assignment sheet reflecting the updated marina layout.
- Boat owners who had a slip last year and wish to participate can reserve a slip for their boat or jet ski between **February 1st and February 28th, 2025**.
- To secure a slip, boat owners must:
 1. Send the registration form and check to 261 E Shore Dr, Grapeview, WA 98546
 2. If possible, email a scanned copy of their registration form to kipsemail@gmail.com to confirm their slip assignment.

3. Marina Project Financing (as of 01/01/25):

b. Marina Reserve Fund:

- Total: \$29,054.16

4. Marina Committee Meeting:

There is currently no marina committee meeting scheduled. I will organize a meeting once we have developed ideas and a plan for maintenance in and around the marina.

5. Other Items for Discussion:

Motion: Approve the estimate from S&S Fabrications for the construction of the transition plate for Dock A.
