Marina/Moorage Information and Fees

Initial boat slip fees will be accepted starting March 15th – April 14th for one vessel. As of April 15, an additional slip may be purchased.

At PSA's discretion unoccupied boat and personal watercraft slips may be rented out on a daily basis for members, family and friends. Fees for such use will be determined annually.

The Association is not responsible for any watercraft or associated items at any time, but especially those items left in the marina after the season ends on October 31st.

Seasonal moorage of any kind may not be rented out by members for use by non-members. Seasonal moorage is available only to owners, for use by owners and their immediate families.

Marina Use

- Marina season: April 1st through October 31st.
- Reasonable use: Reasonable use is determined by PSA. If use is deemed unreasonable, moorage privileges may be suspended by written notice to the individual.
- Watercraft responsibilities: Refer to Mason Lake Boating Rules and Washington State Safety Regulations. Documented rules and safety violations may result in loss of marina privileges.
- Gas and gas containers: Do not leave gas containers on docks. Use caution when fueling your watercraft. Use spill prevention containers if possible.

After-Season Use Penalties

Penalty: \$125 a month fee. As of November 1st of each year a monthly fee will be assessed for any water craft or associated equipment left in the marina area. Failure to pay this fee will result in suspension of marina privileges until such fees are paid.

Owner liability statement: Each member, and other authorized individuals who use the marina facility will be required to sign a personal liability statement that exempts PSA from any liability incurred during any use of the marina.

PSA Property and No Wake Zone

PSA's property extends to the buoys in front of the load/unload dock area. This is a no-wake zone (under 8 mph). Any violation of this no-wake zone is a PSA and a Mason Lake Boating Rules violation, subject to immediate loss of marina privileges. Report violators to the PSA caretaker with boat number, description of boat and occupants.
