On going projects and/or place holders.

- Will and I need to upload codes to foot traffic gate.
- Install cameras and WIFI enhancer. (already have volunteers and they are informed equipment is at the park.
- Painting (need nice weather and volunteers):
 - Repainting the basketball court.
 - Painting the basketball hoops.
 - Touch up painting on hut.
- Dock bracket assessment for repairs and/or replacement.

- Called three different copies (including those that were involved with marina and all mentioned that it would cost the same for them to pull it and repair it as it would to replace it.
 - Plan: remove decking and assess which wood needs replaced and if repairs are needed or replacement is needed.
- Teeter totter spring installation. (Building replacement bracket)
- Wind blinds for the Hut need installed on lake side.

Next facilities meeting: To be determined. Focus is security cameras installation and dock assessment.

Thank you to everyone that has helped maintain the park, help our new caretakers, volunteered your time, and to everyone for the little things you do and the positive and helpful attitude you have all provided and continue to bring to our fine community.
