

Marina Report

Paradise Service Associates (PSA)

01/15/2026

The Marina Loyalty Program is now underway. Sue has been checking the mail daily to ensure applications and payments are received in a timely manner. Tina will be assisting with mail collection while Sue is on vacation.

I will be collecting the checks received for the loyalty program and will be depositing them on a weekly basis to ensure timely and accurate processing.

Thank you to Sue and Tina for their assistance and support in helping keep the program organized and running smoothly.

Respectfully submitted,
Kip Miller
President, Paradise Service Associates
