

PSA Community Block Watch Report
PSA Board Meeting at the Hut
September 12, 2026

The PSA Community Block Watch consists of one Manager and 11 Captains. Most have access to our “private” FB page where we retain records of photos, recordings, and incident reporting. We believe those records may be helpful to the Sheriff’s Department in the future.

Please know I am stepping away from the Manager position for the PSA Community Block Watch team. I happily announce that Julie Ekholm is taking on this role. When reporting incidences, please contact Julie at 360-547-9047 or at kimekholm5@gmail.com. Please join me in welcoming Julie to take on this task on behalf of our community!

While we keep track of incidents and appreciate our members for letting us know of the incidents, we encourage our members to call the Sheriff’s non-emergency number 360.426.4441 and report to them, as well. Our Community Block Watch cumulative reports and your individual reporting to the Sheriff’s Department will help keep our community at the top of their minds, which may increase their presence in our community.

I ask all members of our neighborhood to report incidents to Julie or your neighborhood Captain. The Manager and Captains are listed with their contact information on Paradise Estate’s website at: <http://paradise-service-associates.org>.

Please let me know if you require further information.

Respectfully submitted,

Susan M. Lord
